GUARANTEE

All Porter products are guaranteed against any defect in workmanship or material without time limit. Any material claimed defective must be returned to the factory for inspection before any adjustment can be made. Items returned for repair should be sent prepaid.

REPLACEMENTS OR REPAIRS

1. Return of unsatisfactory tool or part which has not been abused:

When it is clearly demonstrated, thru final inspection at the factory, that an item is defective as to material or labor, such defective item will be replaced with a new item, free of charge, except that if the item can be repaired it shall be repaired free of charge.

2. Return of tool or part which has been abused:

When it is clearly demonstrated, thru final inspection at the factory, that a unit has been abused and is NOT defective as to material or labor, such item will NOT be replaced free of charge, or if the item can be repaired it shall be repaired at the customer's expense, after first obtaining the customer's approval. All transportation charges are to be paid by the customer.
